

INCH MARLOW, "INCH CUBED"

Christ Church, Barbados

INCH CUBED is a refreshing, inviting, warm retreat that serves up an eclectic helping of modern and contemporary design. An award winning home, it received a 2013 honorable mention in the FCAA (Federation of Caribbean Association of Architects) Biennale Architectural Competition and was also nominated in the 2014 MCHAP competition.

It's obvious that the owner has thoroughly enjoyed every year living there ? the attention to detail is amazing, from the interior design, the finishes, to the landscaping of the garden and breezy outdoors. The well ventilated, minimalist two-bedroom/two-bathroom home has been specifically designed to easily facilitate expansion of a third bedroom and bathroom, as well as a pool.

It boasts double height ceilings in the entertainment living area, Capucci Italian design kitchen with soft open touch cupboards, SMEG appliances, Fibrepol quartz countertops in the kitchen and bathrooms, hidden closet laundry with a large ceramic laundry sink, Pianca design tv wall entertainment units and at least five beautifully created spaces to relax or entertain. The master suite overlooks the living area below and flows on to a balcony with amazing sea views.

INCH CUBED's location in Inch Marlow, Christ Church is a few minutes walk from Long Beach which borders the development to the East. The surrounding areas are known for kite and windsurfing, and are short drives away from Atlantic Shores, Silver Sands, Miami Beach, Oistins, the lively south coast stretch and Grantley Adams International Airport.
