

MOUNT WILTON - BEAUTIFULLY FINISHED/UNFURNISHED/SELF CONTAINED APARTMENT

Saint Thomas, Barbados

Beautiful, breezy upscale neighbourhood with elegant homes and the subject property is no exception. The lovely main house is featuring 3 air conditioned bedrooms with 3 1/2 bathrooms, and has an easy flow with a mainly open floor plan. The gorgeous Scavolini kitchen is finished with cobalt blue throughout including the cupboards and counters and has an oversized island complete with storage all the way round. There is a built in oven and microwave and a gas range.

The main floor bedroom can be accessed from the garage down a short hallway or through the main house. This room is excellent for an adult child or an older parent who doesn't want to navigate steps but still allows easy access to the kitchen; and the laundry, which is housed in the completely enclosed garage. There is a basement for storage.

On the upper floor there are 2 air conditioned bedrooms, each en-suite with beautiful bathrooms. The master is quite comfortable with an elegant en-suite bathroom with large rain shower, double vanity and walk in closet. There is also an extremely comfortable sitting room and enclosed patio.

This beautiful home has a fully self contained air conditioned apartment, also furnished and finished to a high quality and is currently tenanted. This could remain as income generating or easily be used for an adult child.

There is an enclosed garage and plenty of additional secure parking.
