

WESTON HOUSE, BEACHFRONT

Saint James, Barbados

Weston House is nestled on a secluded beachfront lot in St. James on the West Coast of Barbados, with parking for several cars behind the electric security gates. The pool deck and gazebo are the perfect place to while away an afternoon in the sun, enjoying a drink or reading a good book, all within earshot of the gentle rolling waves of the Caribbean Sea. Lunch and dinner can be served on the terrace, with a view of the tropical garden and beach beyond.

The villa has five air-conditioned guest rooms, all with en-suite bathrooms. Four of these are located in the main house with the fifth bedroom set in a lovely self-contained apartment which leads onto the pool deck, the perfect setting for a morning cup of tea and for watching children playing in the pool. The master bedroom and patio of the main house offer gorgeous panoramic ocean views and are well positioned to enjoy the vibrant daily sunsets.

Alongside the beautiful location and the luxurious surroundings, what makes a holiday at Weston House is our terrific team. Our team will treat your palate to both local and international cuisine, and their local knowledge is invaluable. No task or request is too much, whether it is a private yacht charter or big game fishing to the local bus service, they will help you find it. You really will have the best vacation in your home away from home.
