

## 2A/2B HIGH PARK

 Barbados

‘Bluff House’ is a superb family home, with 4,000 square feet of floor space over three levels on adjacent lots totaling 22,745 square feet. Entrance is via a covered patio into the open plan living/dining area. This space is great for entertaining as it leads to the patio overlooking the gardens to the rear of the house and a view of the sea beyond. Off to the side, sits a compact yet functional kitchen. The en-suite master and two other large, bright, and airy bedrooms occupy the upper level along with the main bathroom. Downstairs, two additional bedrooms, a bathroom, and very generous laundry room could be ideal as guest accommodations or a full home office. The ground floor has a two-car garage and a spacious storage area.
