Location of Residences

Located on the southeast side of the island, mainland gossip is seldom the topic of conversation here. This is a place where less traveled means quietly and luxuriously discreet. Secluded, naturally pristine, unspoiled, devoid of traffic noise and formality. Here's where Barbados sheds its crowds.

Where the Caribbean reflects the bright sun and the sand welcomes you with its soft pink glow. Where cooling trade winds refresh skin and spirit, a place recognized as one of the best beaches in the world.

And there, overseeing it all from its cliff-top location, sits The Crane. Stately, impressive A resort that stands out for being what it is: world-renowned and one-of-a-kind.

The units come with all appliances and there is the option of choosing a furniture package.
