

NELSON GAY, ST. PETER, BARBADOS

Nelson Gay is a stunning beachfront 8-bedroom villa being offered for sale unfurnished on one of the best beaches in Barbados. This property is located on Godings Bay just 2 minutes South of Speightstown and offers over 1½ acres of prime beachfront real estate.

The property has been immaculately taken care of by the current owner and features luxury amenities in a traditional Barbadian villa setting that is unmatched in history by any house in the area. Nelson Gay was built in the 1950's and has hosted many of the world elite leaders, artists and dignitaries in its halls.

Offering just over 5,000 square feet of covered space overall, the property features the main house which has 5 of the 8 bedrooms, the remaining 3 bedrooms are located in beautiful self-contained cottages which have been designed to replicate the Barbadian "Chattel House" feel. There is also a large commercial kitchen which has access both to the formal indoor dining, outdoor patio dining and the gazebo dining. One of the key features of Nelson Gay is the expansive swimming pool which runs the majority of the length of the garden and from the time you enter catches your eye and leads your gaze out to the beach and Caribbean Sea beyond. The gazebo in the gardens is a perfect place to enjoy a sunset tea with friends and family or even a dinner with some live entertainment from the pool deck.

Nelson Gay is not being offered furnished, however the owner is willing to negotiate terms for a purchaser who may want to retain some of the existing furniture.

This truly is a one-of-a-kind purchase and a perfect home for anyone looking to own a beachfront home and a piece of Barbadian history. To schedule a viewing or virtual site visit, contact our sales team today at info@realtorslimited.com or +1-246-537-6930.
