JOHNS PLAIN, 'NORTH LIGHT', ST. JAMES, BARBADOS

Saint James, Barbados

For Sale – “Northlight”, John Plains is a beautiful 5-bedroom, 6-bathroom home nestled on over 31,000 square feet of prime real estate with panoramic views across the West Coast of Barbados at the end of a private cul-de-sac.

This 5,000 square foot home has been recently renovated and is one of the newest additions to the sales market making this a one-of-a-kind listing which pairs contemporary style with rustic touches and a natural energy.

The property consists of 5 spacious air-conditioned bedrooms with ensuite bathrooms, including two self-contained apartments with kitchenettes, private sun decks, and separate entranceways.

The modern open plan kitchen is fully outfitted with new stainless-steel appliances and leads to the spacious living area. The patio boasts outdoor dining and living spaces, a swimming pool with jacuzzi all with breathtaking sea views.

Scattered throughout the beautifully landscaped surroundings are private lounge areas perfectly suited for enjoying the cool Caribbean breezes and the tropical sunsets 365 days a year. The spacious layout of this property and immaculate gardens are perfectly designed for entertaining and hosting events, as the owners built the house with the intention of using it as a spiritual retreat.

Northlight is fully sustainable with a backup generator. The main wood is treated pine, which complements the cream Purple Heart floor, and the quartz kitchen tops.

An old coral stone quarry surrounds the property, with the opportunity for the land to be used as additional parking for entertainment, a croquet lawn, or a natural grotto behind the property.

The surrounding area is being re-developed with a modern neighbourhood feel. One of Barbados’ most beautiful beaches, Paynes Bay is just a 5-minute drive away, along with Holetown and its many offerings, including Limegrove Lifestyle Centre, medical clinics, pharmacies, supermarkets, banking, a gas station, a post office, and a police station.
