

ALTAMAR, SHARKS HOLE

Saint Philip, Barbados

A very unique opportunity to own one of the only two homes with direct access to the popular Sharks Hole Bay.

Altamar is a single storey 4 Bedroom | 3 Bathroom home sitting on 33,343 sq. ft of cliff and beachfront land.

Through the main entrance is an open plan layout of the dining and living area with high ceilings.

Extending out onto a spacious patio, overlooking the ocean perfect for lounging and alfresco dining. There is a Jacuzzi, but the space offers ample room for the addition of a larger pool if needed and is mere steps from the most intimate bay.

The kitchen is good sized and has great storage space.

Three bedrooms are in the main house and have year around great breezes. The master has 180° of windows and en suite bathroom. Bedrooms two and three are good sized with built-in cupboards and they share the second bathroom.

The fourth bedroom is located just off of the carport next to the kitchen and could easily be converted into a separate cottage. It's large and has its own ensuite bathroom.

The property has been very well maintained and would thrive as a rental property or make a wonderful long term beachfront home!
