

CORAL BEACH ROAD VIEW ST. PETER BARBADOS

Saint Peter, Barbados

Barbados Apartment & Condominium Sales – Coral Beach – Road View – St. Peter

Coral Beach is a new project situated on the West Coast of Barbados. This new dimension added to the exquisite old town, namely Speightstown is proposed for 21 residences on a land area of 29,000 square feet. This project will enhance Road View which is just across the street from white shoreline beaches, and “old town atmosphere” with several restaurants, cafes, and marinas seductively guiding you to the North of the island.

These apartment/ condominiums rise to three storeys high and consist of 2 bedroom 2 bathroom units with aesthetically modern exterior finishes and appealing banisters with an interior blueprint of 1,073 square feet.

The West Coast accommodation boasts of high quality fixtures and finishes, and all comforts such as appliances (stove, fridge, dishwasher, washer and dryer), a/c units, and ceiling fans.

The community of 21 residential apartment units is fenced and has gated access with high tech security features for CCTV monitoring and intercom functionality, on site- parking allocation and up to date fire safety systems linking to units.

Immaculate landscaping with property lighting and swimming pool completes an exciting availability of accommodation and investment opportunity on this sought after West Coastline.

This project start date was February 2022 and the completion date is proposed for March 2023. Architect design, contractor and developer expertise on this project is just right for a compact investment opportunity and can generate a lucrative rental income.
