

DRAX HALL F2A

 Saint George, Barbados

Please view video below

This architecturally designed 3bd/3bth property is perched atop an incline in the very charming community of Drax Hall.

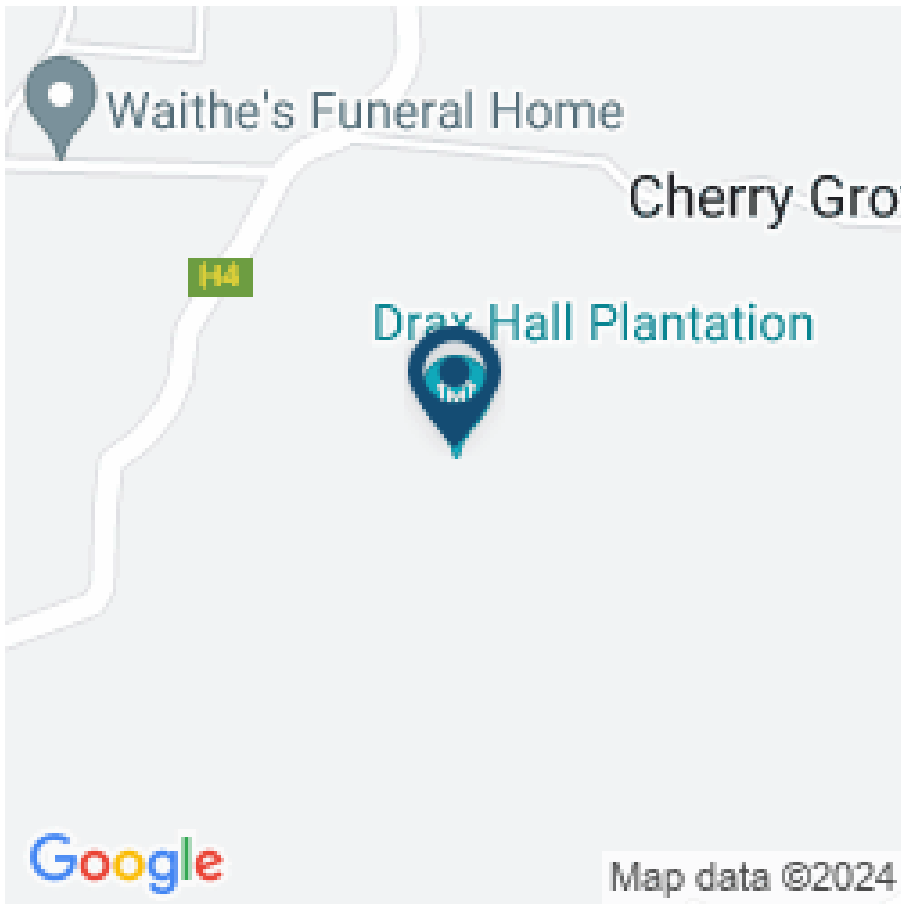

The main entrance allows you to position yourself easily in this very spacious property. To the right is a U-shaped Kitchen complete with ample cupboard and counter space. A few steps down leads you in to the formal dining area, below which is an open plan living and family room that opens out to an L-shaped covered terrace with a wet-bar. There is also a room which can easily be converted into a powder room adjoining these living spaces.

On the ground floor level there are 2 bedrooms, each of which has a bathroom across the hall. Conveniently located on this level as well is the laundry room. The master bedroom has the first floor to itself. It is quite large and has a walk in closet which leads into the en-suite bathroom, it comprises a double vanity and shower.

The gardens are extremely well manicured, and there is provision to the southern side of the property for a kitchen garden. This property is fully enclosed and has a double car garage.
