

CORAL HOUSE | 4 BED 4 BATH VILLA IN GIBBS

Coral House is an elegant 4 bedroom villa. It has its own large private swimming pool. Located in St Peter on the prestigious west coast. It is just a 4 to 5 minute walk from beautiful Gibbs Beach.

This is a beautiful two-storey home. It is a large, light and airy house with vaulted ceiling. It offers spacious, air-conditioned accommodation for up to eight persons. The house has many attractive features including a galleried landing.

The villa is set in a quiet and secure residential location. There is no through traffic. Coral House also has its own private mature tropical garden. It has a beautiful pool and large pool deck. There is also a barbecue area and a bar.

Gibbs Beach which is less than five minutes' walk is one of the most beautiful beaches on Barbados. Coral House provides a luxurious and convenient base. From here you can enjoy all the island has to offer. The 4 bedroom house is spacious, light and airy, with interesting and attractive architectural features and a galleried landing.

This lovely home is ideally located close to Speightstown and Holetown. Here you will find an array of restaurants and bars. There are also supermarkets and banks. Everything you might need is close by. Coral House reaps an annual income of US\$100,000 per year in rentals. For those wishing to recover the cost of a second home in Barbados this is ideal. It is a great investment property.

Viewing is highly recommended.
