

## PEACE OF SEA VILLA

 Saint Philip, Barbados

Peace of Sea is a cliff-edge villa facing the Atlantic Ocean. The home was constructed in 2013 and is fully equipped with new appliances and comforts. This 3-bedroom villa is situated in a quiet and secure residential neighborhood just a short drive from amenities.

All 3 ensuite bedrooms have terraces that enjoy dramatic cliff-side ocean views.

The modern equipped kitchen and granite island seating expands outside as a focal point for conversation and relaxed dining on the tiled terrace.

The traditional Barbados multi-louvered house design, without glassed windows, provides constant flowing ocean breeze and a cool airy atmosphere.

The 200 sq.ft. swimming pool has been immaculately maintained.

Peace of Sea Villa is less than 15 minutes from the airport. Two beautiful white sandy beaches, including the world-famous Crane resort, are within 10 minutes' drive north of the house, and more calm Caribbean beaches are plentiful 15-30 minutes south along the coast to Bridgetown. A grocery store and bakery is a short walk from the villa.
