### *Tropical Design Features*

The property comprises 19,070 sq ft of land and is aptly paired with the 3,573 sq ft Daydreamer villa, which features a timeless transitional design style. As you enter the double front doors of the house, you are treated to an unfettered view that spans from the great room, through the covered veranda, to the shimmering outdoor swimming pool.

The great room is 30' wide with large sliding glass doors that fully open to seamlessly blend the outside and indoors, as well as enable easy access to the large veranda with covered dining and lounge. The kitchen is open planned yet unobtrusive.

The ground floor has two lower master bedrooms that each open to the large pool deck with shade covering to control the sunlight. The upper level boasts two master bedrooms, both with covered verandas overlooking the 46' long swimming pool and elevated views.

Whether you are in the mood to privately relax indoors or prefer to enjoy entertaining outdoors, Daydreamer is designed to offer you the flexibility to live life as you choose. With ample space and modern amenities, it is the consummate home for quiet moments alone, entertaining friends or family, and relishing Caribbean living.
