

#21 YORKSHIRE, CHRIST CHURCH, BARBADOS

Christ Church, Barbados

#21 Yorkshire

This newly built home is in an excellent location, with uninterrupted views of the St. George and St. Philip countryside. Situated on four acres of land, this 3-bedroom, 2 ½ -bathroom home has over 4,000 square feet of floor space, designed to maximize its spectacular surroundings.

The master bedroom features a large walk-in closet, private patio and ensuite bathroom with a double vanity, shower, and large soaking tub. The two other bedrooms share a full bathroom across the hall. The open plan living space is exquisitely finished, incorporating the kitchen and its high-quality counter tops and appliances. Adjacent pantry and utility room offer plenty additional storage.

Downstairs, an unfinished apartment is a work in progress as a potential source of rental income. This project should be easily completed and was originally configured with a private entrance as a two-bedroom, one bathroom apartment.

Yorkshire 21 has several other attractive features. These include a two-car garage with automatic door, security system with cameras, water storage tanks, backup generator and photovoltaic system. The property has a well-kept lawn and variety of fruit trees. One acre is currently rented to a farmer, providing a source of revenue.

While this home is in the quiet countryside, it is within ten minutes to the commercial centers at Haggatt Hall, Six Roads.
