

## EASY HALL, LOTS 4 & 5

 Saint Joseph, Barbados

Nestled among tall palms and tropical foliage, this 3 (or 4) bedroom 3.5 bath, tri-level home with lots of covered and open outdoor entertaining areas is ideal for those who enjoy a private and tranquil living environment. Originally built in the early 1980s it has been extensively remodeled and updated. Most recent is the large fully updated eat-in eat-in kitchen. There are two offices and a TV room with bath on the lower level and one of the offices could be converted back into a bedroom. Enter house via coral stone paved walkways with warm and sanded lighting at night. There are two koi ponds, one of which could be converted into a swimming pool. Photo Voltaic solar system, stand-by generation, and back up water supply are very handy. Home stands on approx. 1.3 acres
