

KOKONUT KOTTAGE

 Saint James, Barbados

If you're looking for a gorgeous, beautifully fitted out, cute and very cozy place to spend a few weeks or a few months holiday in Barbados then 'Kokonut Kottage' is one of the most adorable options you'll find on the island. Fully equipped to cater to 6 happy guests, the property boasts 3 bedrooms (1 queen, 1 double and 2 twins) with 2 bathrooms. The kitchen is a work of art that you'll find excuses to use and enjoy even if you can't cook. The dining area is close enough for voyeurs to enjoy the mastery of the cooking while offering to taste the fare where necessary. Located at the end of a quiet cul-de-sac that is only 4 minutes from one of the biggest supermarkets on the island with lots of coffee shops and restaurants nearby, the Kottage is only 12 minutes drive to the beach and the many fine dining restaurants and golf courses on the island. There's a spacious office if you're on a working holiday, a comfy living area to watch TV, a charming patio for afternoon relaxation or evening meals and a garden gazebo for cocktails. With off street parking and a small garden outside, we think this is such great value for money, you'll be torn between spending much of your holiday dining out or eating in!
