

BUCKSVIEW

Bucks is a residential district situated within the southwestern sector of the parish of St. Thomas. This ridge lot is irregular in shape at road level and slopes gently upwards at the rear. This house, has a mixture of ceramic tiles with clay tiles in certain sections; there are built-in cupboard in the kitchen at floor and shoulder levels; and built-in wardrobes in the bedrooms. The windows are fitted with burglar bars and some windows are protected with hoods and shutters. There are air conditioning units in place.

The exterior is trowel plastic finished while the interior is painted. The accommodation on the ground floor consists of living room, dining room, television room, kitchen, one self-containing bedroom, bathroom, entrance, breeze-way, pantry, storeroom & powder room, garage, two patios and attached carport. The first floor accommodation consists of two bedrooms (one self-containing) and bathroom.

There is a swimming pool with an area of 500 square feet situated to the west of house, with beautiful panoramic views.
