

SUGAR HILL - HADLEY HOUSE

A fairy tale come true! Hadley House offers a very special ridge-front home situated in Sugar Hill, Barbados set on just over 2 acres of land with the most spectacular sea views. Offering 5 generous en suite bedrooms that all face the sea, spread over 2 levels. The main level offers 2 of the 5 bedroom suites, a unique entrance hall made of Mexican handmade mosaic glass tiles, grand indoor and outdoor living spaces, an outdoor sitting area at the east of the house ideal for tea, and a large, beautiful kitchen with breakfast nook. The remaining 3 bedrooms suites can be found on the ground level accessed by a winding ramp via the most magical Koi Pond. There are a number of other outdoor Koi Ponds on the property surrounded by gorgeous green gardens and landscaping. The overall plot is gently sloping towards the west and the sea can clearly be seen from the lowest point of the garden. It is incredible! There is a private well on the property that services the irrigation and outdoor ponds as well as 2 large water tanks underneath the house. Additional features include a double car port, staff quarters, electric gate entry, full enclosure ensuring utmost privacy and an array of community amenities inclusive of gym, tennis courts, clubhouse with restaurant and 2 additional swimming pools. Inquire with us for a virtual tour and a tour in order to experience this magical place!
