

THE MANAGER'S HOUSE

Within close proximity to all of the west coast amenities, as well as the well renowned golf courses at Apes Hill, and Royal Westmoreland, you will find this charming, plantation style property. This property is part of the Bromefield Plantation yard, where you will experience a peaceful serene lifestyle.

This 3 bedroom, 3 bathroom two story home is exquisitely furnished and beautifully finished, with notable accents such as ceramic tiles on the ground level and carpeting in the bedrooms.

The kitchen is well-appointed offering all the necessary appliances. A laundry room, with exit to the drying yard, is found just off of the entrance. The complete property is enclosed, and has a full wrap around patio, where you can enjoy an afternoon tea, and the cooling country breezes.

On the plantation grounds itself, there are several other cottages as well as the extensively restored Bromefield Manor which is circa 1650. The spacious grounds also offer many fields and horse paddocks. There is a communal swimming pool which is shared by the residents of the three cottages.

Pool and garden maintenance are included in the rental fee.
