

MOON REACH

Nestled along Reeds Bay in the West Coast, this classy, five-bedroom home sits on manicured grounds complete with swaying Royal palm trees—it's one of our top Barbados vacation rentals. Known as "Little England," the island of Barbados combines British charm and Caribbean flair and is a popular gateway for visitors looking for sun, tranquil waters and vibrant nightlife.

There are enough amenities on this estate that you'll feel like you're on a private resort. Unwind on one of the lounge chairs on the sun deck, and if you need to cool down, go for a refreshing swim in the pool. The home's multi-level terraces also offer respite from the sun; on the lower level you'll find a casual outdoor living and dining area. Kids and the young at heart will appreciate the games room that boasts both a pool table and foosball; this room also doubles as a well-equipped gym.

Inside this coral-stone villa are marble floors and high-end furnishings. The formal living room is done in pleasing, neutral tones with elegant furniture and home decor. You won't need to worry about cooking—your stay includes the services of a chef. Enjoy dinners either in the interior dining room, or head to the gazebo for an alfresco meal under a unique chandelier. Other on-site staff includes a butler, two maids and a night guard.

This villa's five bedrooms can accommodate up to 10 guests. Each suite is similar in size and features, making it a perfect getaway for a group of friends. All rooms offer air conditioning, a private en-suite bathroom, satellite TV, separate dressing room, a walk-in power shower and a king size bed. Four of the rooms are located upstairs, and include private balconies overlooking the sea.

Whether you feel like sunbathing or swimming, the beach is only steps away from Moon Reach! The shops and restaurants of Speightstown and Holetown are also near the villa.
