

GODINGS BEACH HOUSE

Barbados

Godings Beach House offers up to ten guests a chic, private retreat on one of Barbados' best stretches of beach – a protected oceanfront that offers the opportunity to witness newly hatched turtles making their adorable way to the sea! Visit the northern parish of St. Peter to discover historical sites, quaint fishing villages, beautiful beaches, a wildlife reserve and a tropical forest. Experience the best of this magical Caribbean island with Luxury Retreats!

The professional staff including a butler, cook, housekeeper, gardener, security guard, and house manager will be happy to tailor-make your visit and can arrange experiences ranging from sunrise yoga sessions and fresh juices overlooking the Caribbean Sea, to stand up paddle boarding adventures or a seafood barbecue party around the swimming pool. Film fans will be pleased to have access to every movie on iTunes and Netflix, streamed directly from your iPad or iPhone to the state-of-the-art cinema screen. Sonos is available in all the main rooms for music streaming.

This holiday home combines bespoke furniture, exquisite artwork, designer touches and a stylish modern kitchen. The house itself occupies 13,500 square feet and has been constructed from a combination of local coral stone, timbers and shingles. The sleek and contemporary design is the work of award-winning architects Gillespie & Steel and uses some of the island's most choice materials, connecting it closely with its coastal position through the clever layout of the interiors and grounds. Additional perks include a wine fridge, exercise room and plenty of sun loungers and sun beds.

Five exquisite bedrooms with en-suite bathrooms accommodate up to ten guests at this non-smoking vacation rental. Each suite includes a king sized bed, lounge area, ceiling fan and a private balcony with outdoor furniture. We recommend this villa for a family holiday, or a special event like an anniversary or birthday.

A short drive from this idyllic locale are designer boutiques and the historic Holetown and Speightstown. Swimming and water sports are but steps away on Mullins Beach, and the Royal Westmoreland Golf Course can be reached in just a few minutes by car. If relaxing while watching sunsets tinge the darkening waters of the Caribbean Sea appeals to you, then Godings Beach House is the perfect, tropical villa for an unforgettable Barbados getaway!
