

THE MOORINGS - SUNSET

"Sunset" is one of six one- and two-bedroom apartments which are newly refurbished and modernized at The Moorings in Fitts Village. They are right next to a beautiful beach, across the road from shops and amenities, on a convenient bus route, and have their own garden, barbecue area, and plunge pool. But basically what you'll fall in love with are the views. Breathtaking.

The Neighborhood

Fitts Village was named after the local family which once owned a large tract of land in the area. It was once famous as a fishing village but nowadays is better known for its fabulous beach and as a favorite place to swim with the turtles. Fitts still feels like the "real" Barbados and local people here welcome visitors.

Getting Around

The apartment is right on a bus route leading directly to Holetown, Bridgetown, the golf courses, or anywhere you want to go.

Other things to note:

Right across the road is a well-stocked supermarket, a pharmacy, GP and other useful shops. There is an inexpensive restaurant next door and you are a short bus ride or drive from some of the finest restaurants on the island.

Housekeeping services provided at an additional cost.

Please note ongoing construction next door.
