

THE MOORINGS - SEA BREEZE

 Barbados

"Sea Breeze" is one of six 1 and 2 bedroom apartments which have just been completely refurbished. The apartments are alongside Fitts Beach, where snorkelers come to swim with the turtles. Across the road is a well-stocked supermarket, pharmacy, GP, and other stores. We are on a handy bus-route to Holetown, Bridgetown and golf courses - but we think you may never want to leave your apartment!

Fitts Village was once a lively fishing spot, but these days is more famous as a favorite place for swimming with turtles. The village is a genuine part of the Barbados community - "real" islanders live here and welcome visitors. The shops cater to local people as well as tourists, so prices are sensible and there is a wide range of stock.

The Moorings is on the main bus route down the beautiful west coast, and so you are a short ride or drive from Holetown and Speightstown to the north or Bridgetown to the south. The famous golf-courses are also all nearby - but it's perfectly likely that visitors to The Moorings will never want to leave their beach or balcony!

Housekeeping services provided at an additional cost.

Please note ongoing construction next door.
