

GOLDEN ACRE NO. 11 D

Golden Acre is a newly built gated townhouse complex along Barbados platinum coast. It is a lush private setting on tropical manicured grounds with the natural backdrop of Mount Standfast and one of the nicest beaches in Barbados is a 3-minute walk away. The grounds are set 200 meters from the main road that runs along the western coastline of Barbados.

For entertainment, the villa comes equipped with DVD player (UK & American), cable, Apple T.V., Nintendo Wii and Sega Mega Drive game consoles for kids as well as board games for guests to use. Housekeeping is provided once a week.

The communal swimming pool is set up against a natural coral stone alcove at the foot of Mount Standfast. It is a very private space where it's not uncommon to see green monkeys playing in the trees. The development is conveniently located 5 minutes north of Holetown which has shopping, the Limegrove mall, a grocery store and dozens of bars and restaurants.
