

NORTHLIGHT

Northlight is a tranquil oasis, nestled in a quiet cul de sac with panoramic views of the west coast.

New to the market this exclusive listing is truly one of a kind, the perfect blend of contemporary style, rustic touches and a natural energy.

This 5,000 square foot, newly renovated property sits on just over 31,000 square feet of land. The property consists of 5 spacious air conditioned bedrooms with ensuite bathrooms, including two self-contained apartments with kitchenettes, private sundecks and separate entranceways. The modern open plan kitchen is fully outfitted with new stainless steel appliances and leads to the spacious living area. The patio boasts outdoor dining and living spaces, a swimming pool with jacuzzi all with breathtaking sea views.

Northlight is fully sustainable with a backup generator. The main wood is treated pine, which complements the cream Purple Heart floor and the quartz kitchen tops.

An old coral stone quarry surrounds the property.

Scattered throughout the beautifully landscaped surroundings are private lounge areas perfectly suited for enjoying the cool Caribbean breezes.
