WILCOX HILL ****UNDER OFFER ****

 Christ Church, Barbados

View Video Below.

This traditional style 3 bedroom, 3 bathroom bungalow sits on a 3/4 acre rectangular plot.

The main entrance via the patio leads into an open plan living and dining area, behind which is the kitchen and large pantry area. This has an external door which leads into an enclosed garage and laundry area.

The primary suite is towards the front of the property and has an ensuite bathroom. The other two bedrooms share a bathroom between them.

There is an external utility shed and a lush lawn area towards the front of the property. And also, an upward slight incline towards the rear. From the patio there is a panoramic view of the South coast of the island.

The property is in fairly good condition, seems quite solid, but would need cosmetic upgrading.
