

VALLEY VIEW DEVELOPMENT

 Saint Thomas, Barbados

Welcome to the Valley View Development in Barbados. This development is located in the heart of the island which is only minutes away from the Warrens business hub. This desirable neighbourhood offers homeowners beautifully landscaped surroundings, underground utilities, picturesque country views and cool country breezes. Phase 1 is an established community of twenty homes and Phase 2 offers 17 three-bedroom homes currently being offered for sale. The five distinctive architectural designed homes surround the small community park. Caraway, Rosedale, Saffron, Sage and Thistle, the latter being a two story design, average around 1500 sq. ft. of living space with modern finishes and fixtures. The homes sit on various size lots ranging from 6628 sq. ft. and up to just over 14,000 sq. ft. Prices start from \$640,000.00 Bds and each home offers various views and some additional amenities such as unfinished basements on some lots. Every home comes with a modern kitchen with soft closing cabinetry with quartz countertops, Ceiling Fans in all rooms, Porcelain tiles on the patio and Wood pattern click flooring on the interior, paved driveway, UPVC fencing and solar heating on the roof. We invite you to be part of this unique and private modern development. Rental income opportunity is ripe due to the proximity to Warrens. Give us a call and we would be happy to show you around Valley View.
