

#20 ANGELICA ROW, SUNSET CREST, ST.JAMES, BARBADOS

Saint James, Barbados

Looking for the perfect family home in the midst of the best Barbados has to offer? Shouting distance to Limegrove, a few minutes' walk to the Sunset Crest hub with its large modern Massy supermarket, the nightlife of Second Street Holetown, members only Sunset Crest Beach Club, and Sandy Crest medical centre?

Welcome you to #20 Angelica Row!

Our island home is fully enclosed, sitting on a large landscaped lot at the end of a quiet cul-de-sac for enhanced privacy. Recently renovated with modern cabinetry and furniture the home has three bedrooms - the master with ensuite and walk-in closet; the second bedroom with two twin beds also with its own ensuite, and the third kiddie bedroom with bunk beds and access to the shared hallway bathroom for use by your guests – and all bedrooms are air-conditioned.

Bright, quiet and airy the main living areas are open plan with entry into the house via either the large kitchen with a central island and fitted with granite countertops, or through the French doors of the patio.

The patio is the star space for me, it is positioned on the eastern side with both a dining option and lounge seating, perfect for early morning coffee as well as cocktails and dinner in the evenings while you watch the kids play on the lawn.

The property is fully equipped with all linens, kitchen utensils, large and small appliances, BBQ grill, a laundry closet with a stacked washer/dryer combo – all you need to bring is your clothing.
