

BAKER'S WOOD - SOLD

 Saint Peter, Barbados

Bakers Woods is a quiet residential Development located to the north of the island, just off our main highway, with easy access to our Warrens and our west coastline. It is one of our more sought after location because of family atmosphere with a well maintained play Park. The available property is single level with a patio at the front, the living/dining area opens with double door unto an open patio. The kitchen is sizable with solid surface countertops and ample cupboard space. There are three bedrooms, one of which is en-suite while the other two share the second bathroom. All the bedrooms have built-in cupboards and all can fit a queen sized bed, the master can fit a king, the house also has a laundry, a back patio and a well maintained yard area, the yard is fenced. There are also security grills throughout.
