PRIOR PARK TERRACE 58

Saint James, Barbados

We are thrilled to offer this charming 3-bedroom, 2.5-bathroom bungalow situated in the desirable neighbourhood of Prior Park Terrace, fully enclosed by an established garden. The large semi-covered patio at entry affords glimpses of the distant ocean and will benefit from the stunning sunsets.

The living and dining are adjacent of the patio and flow naturally to the bedroom wing or the kitchen which forms the central part of the home. The kitchen is outfitted with wooden cabinetry and a temporary island. The three bedrooms are on the southern side of the home with built-in closets and a shared bathroom. The primary bedroom has a walk-in closet and en-suite bathroom. From the kitchen, there is a bonus room ideal for an office which also has access to the enclosed garage, laundry and half bathroom. This area has great potential as a studio apartment for additional income or converted to an additional main suite or granny flat.

The Prior Park community is minutes away from Holetown on the western side of the island, the beautiful beaches and bars and the Warrens business district which offers various amenities from supermarkets, banks, retail shopping and much more.

The home could benefit from some upgrades to make this the perfect place to call home.
