### STEPNEY #10

 Saint George, Barbados

This beautiful executive home has been designed by well-known architect Michael Gomes, and is located about a 10 minutes drive to the popular Accra beach on the south coast and 5 minutes to the ABC Highway and supermarket and other amenities. Situated on a ridge, it boasts spectacular country views and constant breeze from the St George Valley.

On entering the main entrance, one is greeted with a large open plan living and dining area which opens onto the spacious patio where one can enjoy the panoramic and stunning view of the St George Valley. Next to the foyer is the lovely courtyard area with tropical plants adding to the serenity of the property. It has an expansive kitchen with stainless steel appliances including the large fridge and freezer combo and granite countertops. The kitchen extends to the comfortable and cozy family room. The master bedroom with en-suite bathroom and walk in closet is also on the main floor along with 2 other bedrooms and the family bathroom. For added convenience, the laundry area is just off from the kitchen and leads onto a drying yard.

The lower level of the property is an entertainer's dream and offers a large open area that leads straight onto the deck and swimming pool. The 4th bedroom is also on this level with an unfinished en-suite bathroom. There are 2 powder rooms (one on each level) and a huge area that is ideal for a man cave, games room or office space. This lower level offers a lot of space, some of it unfinished, but it provides a blank slate for the future owner to put his/her stamp on it. The home is fully enclosed with automatic gates and security system. It has a photovoltaic system which saves on energy costs and a large water tank for irrigation.

Nestled within a charming enclave, this neighbourhood consists of elegant homes set against a tranquil rural backdrop. This property encompasses the comfort, and luxury of modern living in a tranquil and peaceful country setting, while still close to all the amenities including the school run.
