

ROYAL WESTMORELAND, LANCASTER MEWS, ST. JAMES, BARBADOS

Saint James, Barbados

For Sale - Lancaster Mews, Royal Westmoreland, Barbados

Nestled within the prestigious Royal Westmoreland Golf Resort in Barbados, the Lancaster Mews townhomes present an exquisite opportunity for those seeking a harmonious blend of luxury living and resort-style amenities. These meticulously designed 3-bedroom, 3 and a half bathrooms residences, each spanning a generous 1,964 sq ft, epitomize the epitome of contemporary elegance.

The allure of Lancaster Mews begins at the foyer, where the lower-level master suite sets the tone for the sophisticated living spaces that unfold. The 9' ceilings, adorned with shadow box detailing in the living room, create an ambiance of openness and sophistication. Transitioning seamlessly, the large open-plan kitchen beckons, flowing effortlessly into the 16' wide by 19' long living and dining room. Here, the living room becomes a sanctuary, featuring a 12' wide glass door that opens to the allure of a covered and uncovered sun deck, complete with a seating area and an 11' wide private plunge pool, offering an exclusive retreat in the heart of the resort.

Ascend the architecturally detailed stairs to discover the upper-level master bedroom, graced with its own private veranda, and the second guest suite. Convenience is elevated to an art form with laundry facilities strategically positioned on the upper level, accompanied by an additional linen and storage closet. The two end homes within Lancaster Mews further distinguish themselves with a second 9' wide sliding glass door, seamlessly connecting the dining room to a side veranda and a meticulously landscaped garden.

Beyond the allure of the residences themselves, Lancaster Mews offers an enticing proposition for investors seeking a lock-and-leave lifestyle or a lucrative rental investment. The combination of unparalleled design, prime location next to the Padel & Pickleball courts, and exclusive access to the homeowner-members only gym creates an environment that is not only aesthetically pleasing but also geared towards a lifestyle of leisure and well-being.
