 Saint George, Barbados

Greeting you at the front door is a spacious living room with beautifully varnished wooden floors, high ceilings and many windows allowing for natural lighting. The dining room, while open to the living room is separated by a wooden banister, only the breakfast bar separates the kitchen which is fully functional with ample cupboard space. Next to the kitchen, is the well-sized laundry room and cozy TV room, with an entrance to this area via the garage. A large breezy patio overlooks the rear garden and is peaceful and shaded. Below this home is a separate two-bedroom, one-bathroom unfinished apartment which can be finished to your taste. This property is ideal as a family home and a potential income earner.
