

131 ST. SILAS HEIGHTS, WATERHALL

 Saint James, Barbados

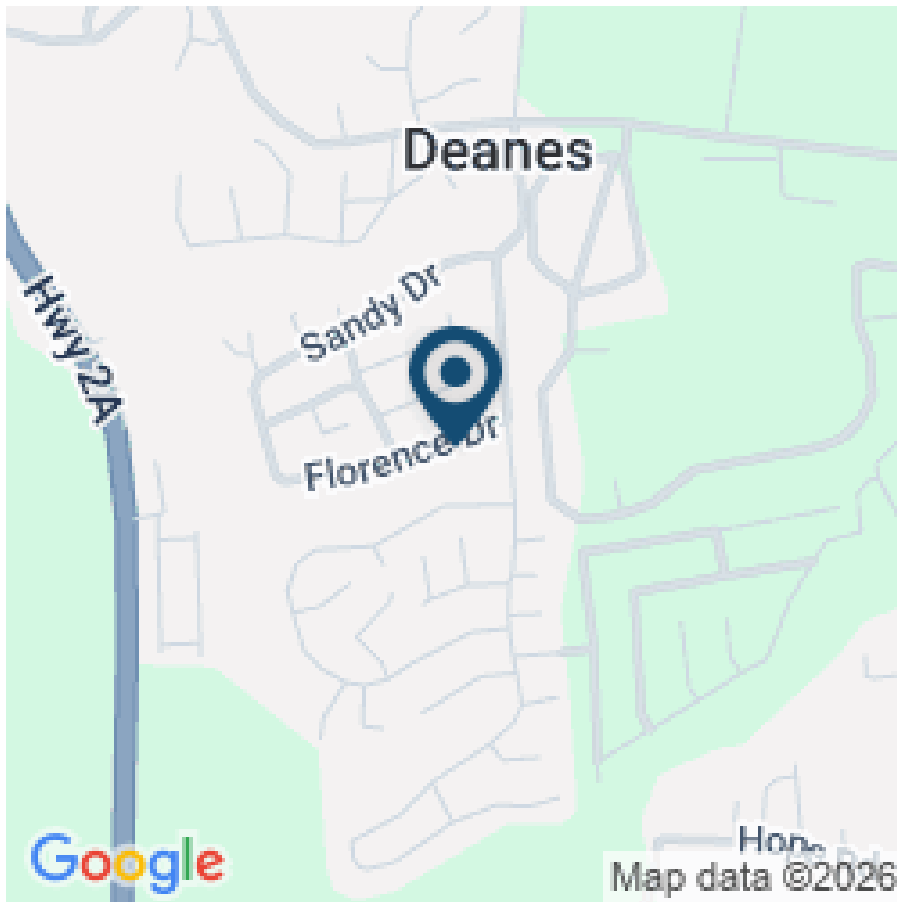

This sloping lot presents a unique opportunity to build a **contemporary residence** that blends seamlessly with the neighboring homes. The elevation offers design flexibility, making it ideal for a **modern split-level layout** or a home with **terraced outdoor spaces**.

The natural slope also creates room for **additional entertaining areas, garden terraces**, or even a **self-contained rental unit**—perfect for generating **passive income**.

Located in **St. Silas**, a neighborhood experiencing steady growth and now recognized as a **middle-income area**, this lot represents both a lifestyle upgrade and a smart investment.
