

LOT 36 BRIGGS, UNION DEVELOPMENT

Saint Philip, Barbados

This is a perfect location to raise a family. The property is positioned in a quiet, mature area with minimal traffic flow.

The property was built to accommodate outdoor activities since its perimeter has ample space to maneuver. There is also a tool shed to the back.

This 3-bedroom, 2-bathroom property is in need of upgrades but has very spacious rooms throughout and its kitchen size is pretty impressive.
