

BATHSHEBA

This gently sloping ocean front lot commands one of the most gorgeous views on the east coast of the island for the surfing enthusiast. There are direct views to the famous Soup Bowl and its mystical, energetic white waters making this lot a prime spot to develop either for a residence or business.

The local residence pride themselves in maintaining the un-spoilt landscape and tend to display their local craft and aquatic skills. This location is also a prime spot for tourists who tend to frequent local bars and restaurants or just lounge on the beachside.

Land is 16,774 sq. ft excluding railway reserve
