

HIGH SEAS COTTAGE

Saint Joseph, Barbados

This revamped chattel house is the epitome of Bajan charm! The term "chattel" dates back to the Plantation era and was used to describe the "movable" nature of these homes. Having been relocated from St. Philip to its new location in Atlantic Park, St. Joseph, "High Seas Cottage" has remained true to its origins. The open floor plan and spacious patio offer a bright and airy feel, along with unbeatable views of the lush hilltops and Atlantic Ocean, which is just a short 3-minute walk away. With modern furnishings and décor, this vacation home offers an upscale East Coast experience with traditional "island life" charm!
