

## ROLLING HILLS LOT 73, BYDE MILL

 Saint George, Barbados

Are you looking for that special lot where you can **build your private residence, feel lovely cool breezes and boast of beautiful views**? Then this impressive residential lot measuring 16,871 sq.ft., is perfect for you! It is situated within the popular Rolling Hills Development with many executive residences within. Lot 73 forms part of a **cul-de-sac** and can offer **lovely views of the South and parts of the West Coast**. **The upper part of the lot is considered flat, while the remainder is a bluff** –an architect’s dream, giving the new owner many tiered options should that be desired. The area is quiet and a short drive to Six Roads with its many amenities. E&OE.
