

## THOMAS DANIEL BUILDING, HINCKS STREET

 Saint Michael, Barbados

This office building is now under NEW MANAGEMENT and has VERY SPECIAL INTRODUCTORY RATES from as low as \$2.00 per sq. ft to \$3.50 per sq ft. The building is in a fantastic location on a heavily traversed road either by foot or vehicular traffic.

On its ground floor, local craftsmen can capitalize on their art, culinary skills, and their services as many visitors tend to commute along the front of the building to and from the cruise terminal. There are also show windows for vendors and tourist-oriented businesses to take full advantage of.

The first floor is accessed via keyless entry by frameless glass doors which provide added security to the building.

There is a mirrored elevator and stairs that lead to this floor where some office spaces are available for rent.

The second floor is 8,300 sq. ft. excluding the lobby and was renovated with tasteful modern finishes. It is environmentally friendly and flexible and is ideal for an organization that is fastly expanding or one that has already outgrown its space. There is natural light in some offices with a view to the ocean.

Sizes range from 400 sq ft to 8300 sq. ft.
