

HORSE HILL*

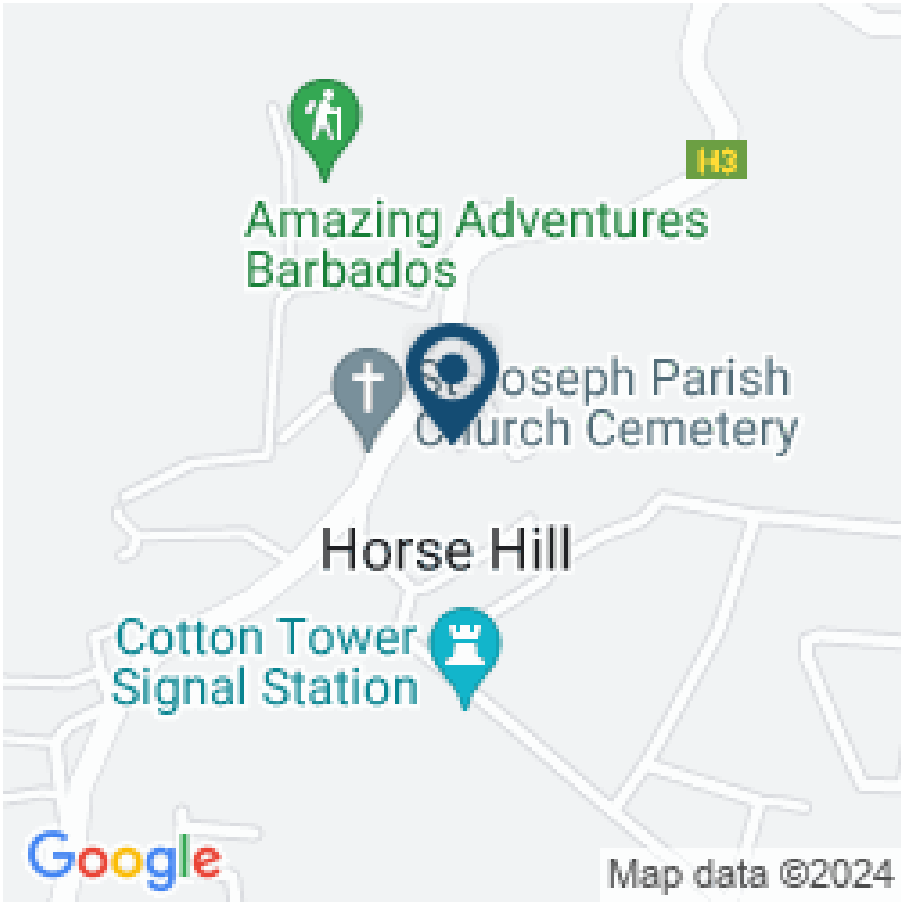

Barbados

For Sale - home on large lot of over 1/2 Acre. Welcome to your future home in the charming and historic Horse Hill neighborhood of St. Joseph, Barbados. This traditional-style residence is nestled on an expansive 29,000 square feet of land. This home boasts three bedrooms and 1.5 bathrooms, with an additional versatile office/study space that could effortlessly transform into a fourth bedroom, accommodating the evolving needs of your family. The grounds have many mature fruit trees, offering a touch of the tropics in your backyard. The property is fully enclosed, ensuring privacy and security, with burglar bars at windows providing an added layer of safety. The interior of the home features a combination of hardwood floors, ceramic tiles and vinyl tiles. The property also has a basement area that serves as a garage, laundry room, and storage space, providing practicality and convenience. The layout is designed with functionality in mind, offering a seamless flow between living spaces. Situated in Horse Hill, this residence enjoys proximity to public transportation, making commuting a breeze. Additionally, a short drive brings you to the picturesque Bathsheba, where you can indulge in the breathtaking beauty of the coastline and immerse yourself in the laid-back Barbadian lifestyle. The property does require some repairs and maintenance. However, the solid foundation and "good bones" of the house provide a canvas for your personal touches and upgrades, allowing you to tailor the space to your preferences.
