

### APES HILL GOLF RESORT, TREE HOUSE VILLA 5

 Saint James, Barbados

The villa features three stories and is semi-detached, offering 3 bedrooms and 3.5 bathrooms. The master bedroom occupies the upper level and includes a terrace, a bathroom with a tub and shower as well as a walk-in closet. On the lower level, there are 2 en suite guest bedrooms that share a patio leading to the garden. Additionally, there is a powder room on the entrance level.

Designed with an open-plan layout, the villa boasts a plunge pool and a spacious covered patio on the entrance level, providing a picturesque view of mature trees. Laundry facilities are conveniently located on the same level as the guest bedrooms. All bedrooms are air conditioned.
