

## COVERLEY COTTAGE (NOT THE VILLAGES)

Christ Church, Barbados

This beautifully maintained cottage is privately nestled between two others of similar design, behind large automated gates.

It offers a sense of security in this small, gated complex with dusk-to-dawn lights, security cameras and window grilles. It is mere minutes away from the airport, Oistins; and on exit of that development, in any direction you can be on the south coast or in the hustle and bustle of one of the island's well travelled highways.

The unit comes fully air-conditioned, with a spacious, separate laundry room and a courtyard that makes the perfect space for outdoor furniture for you to entertain or have a quiet end to your day.

The owner is seeking a quiet, responsible tenant who relishes privacy and an intimate setting.

There is a no pet policy and only adults are being considered at this time. Gardening and water are included in the rental.
