Imagine this: Owning a piece of Barbados' breathtaking south coast and crafting a hospitality haven unlike any other. Fairy Valley Beach presents an unparalleled opportunity for developers and visionaries to create a world-class resort destination.

Endless Possibilities Await: This exquisite 32-acre beachfront property in Paragon, Christ Church, boasts a gentle slope, ensuring all units – from the 350 planned hotel/resort rooms to the luxurious private villas – will have stunning, unobstructed ocean views. The possibilities are endless – design a luxurious all-inclusive escape, a family-friendly beachfront haven, or a combination of both!

Prime Location, Prime Opportunity: Fairy Valley Beach boasts an enviable location. Nestled on Long Beach, a sheltered favorite among surfers, the property offers a pristine beachfront experience. The close proximity to Grantley Adams International Airport ensures easy access for guests, while the vibrant nightlife and entertainment hub of St. Lawrence Gap is just minutes away. Imagine your guests indulging in world-class dining, duty-free shopping, and exciting nightlife experiences, all within easy reach.

Build Your Legacy with Government Support: The Barbadian government is committed to supporting tourism development. This project benefits from a highly attractive tax credit program, offering developers a 20-25 year "tax holiday" to recoup their investment. Focus on creating your dream resort without the immediate burden of taxation.

Standing Out from the Crowd: While established resorts like Sandals, Hilton, Radisson, and Marriott grace the island, Fairy Valley Beach presents a unique opportunity. Develop a resort that reflects the modern traveler's desires – sustainability, personalized experiences, and a deep connection to the natural beauty of Barbados.

A Once-in-a-Lifetime Investment: This is more than just beachfront land; it's a chance to create a legacy.
