

RIVER ROAD, ST. MICHAEL

This building is located on a busy artery leading into and out of Bidgetown. Currently partly tenanted, this property has capacity for four businesses. The main section is completely outfitted as a medical facility, with 3 examination rooms, 3 bathrooms including one with a shower, a good sized waiting room with an annex that could be used as a overflow from the waiting area or as storage. There is a reception office and a room for patient files. Upstairs, there are 3 areas, one with its own bathroom and additionally a shared bathroom. There is parking to the back and along one side and entry and exit can be created rather easily.
