

### #33 WALKERS PARK WEST FAMILY HOME

 Saint George, Barbados

This 6 Bed 5 bath 2 storey home with an unfinished basement apartment, features 3 Car Garages with electronic gates. A long balcony on the south side of the house just off the living room. This fully 6300sqft enclosed house sits on 9,379 sqft of land with a open-plan living and dining concept that then leads into a massive kitchen space that leads also onto the pantry and laundry area.

This beauty was built in 2008 and valued in 2009 at 1.4mil bds. Now being listed at 1.5 mil bds this mid-century modern home certainly carries years of equity for any buyer and two sections that can be turned into two self contained 2 bed rental units!

\*A request can be made for additional photos or video walk-through.\*
