

THE RESIDENCES AT COVERLEY

Christ Church, Barbados

The Residences At Coverley is a brand new turnkey community offering nine designs of homes for sale. This exciting new turnkey project promises safety, security and a thriving neighbourhood. The first of four phases is now under construction presenting a range of floor plans ranging from standalone homes to contemporary townhouses with one and two stories with three and four bedrooms. The Residences at Coverley has been designed with safety and comfort in mind. It features recreational spaces, children's play areas, sports courts and inviting seating zones. A standout feature is the meticulously crafted nature trail that winds through a significant portion of the community flanked by canopy trees and vibrant shrubs. Pocket parks are scattered throughout. The Residences At Coverley will feature a new Town Square - an exciting hub with shaded lounging areas, dining venues, retail stores, green spaces and a large supermarket. It's the perfect setting to relax, socialize with friends and enjoy the vibrant atmosphere. The neighbouring Villages at Coverley town square offers even more options for shopping, dining, and entertainment. The Residences At Coverley is located just minutes away from south coast beaches, top-tier restaurants, golf courses, tennis facilities and other attractions including the popular Oistins Bay Garden with its sumptuous grilled fish. community offering homes for sale in an innovative master-planned residential environment. The first of four phases presents a range of floor plans, from sleek standalone homes to contemporary townhouses, spanning one and two stories with three or four bedrooms. The community has been thoughtfully designed with safety and comfort in mind, featuring recreational spaces, children's play areas, sports courts, and inviting seating zones. A standout feature is the meticulously crafted nature trail that winds through a significant portion of the community, flanked by canopy trees and vibrant shrubs. Pocket parks are scattered throughout. The Residences At Coverley will feature a new Town Square – an exciting hub with shaded lounging areas, dining venues, retail stores, green spaces, and a large supermarket. It's the perfect setting to relax, socialize with friends, and enjoy the vibrant atmosphere. Homes are being sold off-plan, with site preparation and infrastructure works already underway, and home construction in progress. Homes are being offered at introductory pricing which is subject to change.
