

HILBURY PLANTATION, WORKMANS

 Saint George, Barbados

Hilbury Plantation ? St. George, Barbados

Discover the timeless charm of Hilbury Plantation, a stately early 1900s estate located in the tranquil heart of St. George, Barbados. Set on over 31,000 square feet of lush, landscaped grounds, this historic property features a spacious 7,639 square foot residence with four bedrooms and two and a half bathrooms?perfectly blending classic colonial elegance with modern livability.

The home's architecture reflects the island?s rich heritage, featuring high ceilings, hardwood floors, and generously sized rooms that exude warmth and character.

Surrounding the main residence are six subdivided lots, offering excellent opportunities for future development, guest cottages, or investment potential?while maintaining the estate?s privacy and sense of grandeur.

Hilbury Plantation presents a unique opportunity to own a piece of Barbadian history in a peaceful, elevated location just minutes from central amenities, beaches, and the island?s best schools.
