

BLOOMSBURY LOT 3

Saint Thomas, Barbados

This 3-acre parcel of land offers a rare opportunity to own a piece of the island's cooler, high-altitude countryside. Tucked within a scenic gully and surrounded by mature trees, the lot provides both privacy and natural charm—ideal for those seeking a tranquil escape or an agricultural venture.

A standout feature of the property is a naturally elevated plateau, perfectly suited for building your dream home. With easy road access to this area, the lot becomes even more desirable, particularly if livestock farming is your goal.

The land was previously used for agriculture and still contains remnants of pig and chicken pens, offering a foundation for revitalizing farming operations. Whether you're planning a private residence, eco-retreat, or small farm, this property presents flexible options in a serene setting.

This property combines natural beauty, practical features, and development potential—just waiting for the right vision.
