

## BLOOMSBURY LOT 2

Discover the potential of this approximately 3-acre parcel of land, nestled in one of the island's higher altitude regions. Set within a lush, gully environment, this property offers privacy, cool breezes, and natural beauty—perfect for those seeking a peaceful countryside retreat or an eco-friendly development opportunity.

The lot is richly treed, providing both shade and privacy, and features gently undulating terrain. With access via a secondary road, the property maintains a quiet, secluded feel while still being reachable.

Historically used for farming, the land includes remnants of former pig and chicken pens—an ideal foundation for those interested in revitalizing agricultural pursuits or hobby farming.

This versatile lot offers endless possibilities—whether for agricultural use, a private homestead, or a rustic getaway.
