

VAUGHN'S PLANTATION

Saint Joseph, Barbados

Vaughn's Plantation is 6.7 acres of lush land located in St. Joseph, privately tucked away off the beaten track and only a few miles from the sea. The land slopes gently down towards a valley and the beach with spectacular scenic views of the East Coast.

The property has great potential as a retreat or for agricultural development with its own fresh spring running through the land. Vaughn's Plantation is a part of the National Heritage Trust, so new development in the area is carefully managed by the local planning authorities.
